Change X Unzipped - Convenor Recruitment 2024

Co-convenor Introduction

Change X Unzipped (CxU) is a Victorian university student collaboration which hosts an annual global health conference. The organisation originated as a way to unite the global health groups at three major Victorian Universities; Ignite Monash, Universal Health at Deakin and Melbourne Medical School's Global Health Collective; and the event is now in its seventh year. In the past, we have proudly hosted over 100 delegates from a range of disciplines and universities across Victoria, and we hope to make the 2024 event even bigger and better.

Our program aims to provide students with an inspiring line-up of speakers, workshops, panels and networking opportunities in global health; presenting attendees with tangible ways to become involved in making change. It encourages further collaboration between Victorian universities and prides itself on being an affordable, accessible and sustainable event for all.

The organisation of an event such as this requires an enthusiastic team ranging from any Victorian tertiary institutions to fill a range of positions as outlined below. If you're passionate about global health and believe you have something valuable to bring to our organisation, we would love to hear from you!
